

Appl no: 10/668,816  
Limberg, et al.

### REMARKS

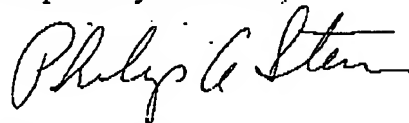

Pursuant to Examiner's restriction requirement dated August 24, 2007, Applicant elects for examination without traverse the Claims identified in the restriction requirement as Group II; 18 - 26, 27 - 33, and 51 - 53. Therefore Claims 1-17; 34 - 50 are withdrawn without prejudice. Applicant retains the right to at least reintroduce the withdrawn Claims in one or more divisional patent applications.

In addition to the above election, Claim 31 was amended to correct an antecedent basis issue; Claims 52- 53 are withdrawn without prejudice; and new Claims 54 - 57 are added. New Claims 54 - 57 are commensurate in scope and subject matter to existing Claims 31 - 33 expressed as a computer program product.

No new matter has been added by this amendment.

The examiner is invited to contact Applicant's Representatives, at the below listed telephone number if additional information or clarification is required.

Respectfully Submitted,

Philip A Steiner, Esq

Attorney for Applicant
